

South County Hunterdon

Relay for Life 2006

Friday May 19th through Saturday May 20th

Hunterdon County 4-H Agricultural Fairgrounds
Route 179, Ringoes, NJ

Celebrating Cancer Survivorship...

*Remembering those lost to cancer
so they will never be forgotten...*

*Caring for & Supporting those facing cancer,
Hoping that one day,
cancer will be eliminated.*

The power of the Relay for Life is that it allows a community to grieve for those lost to cancer and to celebrate the lives of those who have survived. For the newly diagnosed, the Relay for Life offers a chance to meet someone who has survived the same type of cancer. For the cancer patient in treatment the Relay for Life provides an opportunity to share with others. For the long-term survivor the Relay for Life brings a community's recognition to their struggle and closure to a trying time in life. Caregivers find hope and courage in the Relay for Life.

South County Hunterdon Relay For Life 2006

In May 1985, Dr. Gordy Klatt, a colorectal surgeon and avid runner, took the first step of his 24-hour walk/run around a track in Tacoma, Washington. He clocked 83 miles, raising \$27,000 to support the American Cancer Society. The following year, 220 supporters on 19 teams joined Dr. Klatt in this overnight event, and the American Cancer Society Relay For Life was born. Over the last 18 years, Relay For Life has spread to 3,800 communities in the United States and eight foreign countries. What began as one man's statement in the fight against cancer has led to the development of a worldwide event to help banish cancer.

Schedule Of Events

- 4:00 PM **Registration & Teams start to set up**
- 6:00 PM **Opening Ceremony**
 ACS Welcome – Brian Davis, American Cancer Society
 Committee Introduction – Joanne Luster & Sharon Krajack, Co-chairpersons
