

*Santa's Reindeer missed you this year Laura and so do we...*

Laura Amy Krivoshik ❧ September 12, 1993 – April 17, 2010 ❧

On December 24, 2009 Laura walked barefoot in the snow bringing a plate of carrots for Santa's Reindeer, saying "Hey here's your carrots." Laura still believes in Santa and just wanted everyone to be happy.

We did not mail any Christmas Cards this year. It was a far too quiet and lonely time filled with tears, stress & anger this year. This image of Laura's Christmas Card is being posted on-line after Christmas but before Russian Christmas (which is January 7<sup>th</sup>).

Please keep Laura's memory alive, visit Laura's Garden, Laura's Story, read the updated Angels Are Real and lots more at

Laura's Room and World and pictures of Laura with her family are coming in early 2011 to UnicornMeadows.
